Solve these pumpkin patch story puzzles using candy corn, apple slices, or other yummy treats!

It was an exciting day at the pumpkin patch today! Michael, Jim, and Toby searched all over the farm and each of them picked a pumpkin with curly stems and smooth skins. But then, Michael and Jim dropped their pumpkins, and the pumpkins exploded! Thankfully, Toby's pumpkin was still safe. Michael and Jim ran around and found two new gigantic pumpkins. Then, Angela came skipping over holding a very knobby gourd and said, "I want this pumpkin!" Jim chuckled; he knew that the gourd was NOT a pumpkin. Then, Pam stomped her foot on her pumpkin and shouted, "squash!" All the confusion made everyone laugh.
